Brewed and Bottled by Port Brewing Company, San Marcos CA

AVAILABILITY: Seasonal Rotating Release

FORMATS: 22 ounces Bottles and Limited Draft

BEER DESCRIPTION: Santa knows who's been naughty and who's been nice. This is one seriously naughty but nice beer. Black as coal that he's known to leave for those children who haven't behaved, but smooth and sweet like good kids who leave Milk and Cookies for the Jolly Old Fat Man.

DESCRIPTION AND INFORMATION:

AROMA- As with all stouts there will be an emphasis on Roast and Coffee aromatics. Santa's Little Helper leans towards more Dark Cocoa and freshly brewed coffee than sweet malt tones.

TASTE- An Imperial stout worthy of the Fat Man's time. It is not overly bitter or too sweet. Just right for flying around the world in one night.

COLOR- Darker than midnight on Christmas Eve.

O.G.- 1.092

FINISH- Thick with sweet crystal malt over tones.

BODY- Medium with warming notes of malt and alcohol with some hops present in the finish

ABV- 10.5% Alcohol by Volume

HOPS- Magnum and Centennial

SUGGESTED SERVING TEMPERATURE- 52-58F

PAIRS WELL WITH- Leftover Fruit cake and Grandma's Figgy Pudding.
